## Our First, Most Cherished Liberty

*A Statement on Religious Liberty  
(Part 3 of 8)*

United States Conference of Catholic Bishops  
Ad Hoc Committee for Religious Liberty

(For the full text go to [www.usccb.org](http://www.usccb.org))

### Religious Liberty Is More Than Freedom of Worship

Religious liberty is not only about our ability to go to Mass on Sunday or pray the Rosary at home. It is about whether we can make our contribution to the common good of all Americans. Can we do the good works our faith calls us to do, without having to compromise that very same faith? Without religious liberty properly understood, all Americans suffer, deprived of the essential contribution in education, health care, feeding the hungry, civil rights, and social services that religious Americans make every day, both here at home and overseas.

What is at stake is whether America will continue to have a free, creative, and robust civil society—or whether the state alone will determine who gets to contribute to the common good, and how they get to do it. Religious believers are part of American civil society, which includes neighbors helping each other, community associations, fraternal service clubs, sports leagues, and youth groups. All these Americans make their contribution to our common life, and they do not need the permission of the government to do so. Restrictions on religious liberty are an attack on civil society and the American genius for voluntary associations.

The Union of Orthodox Jewish Congregations of America issued a statement about the administration's contraception and sterilization mandate that captured exactly the danger that we face:

Most troubling, is the Administration's underlying rationale for its decision, which appears to be a view that if a religious entity is not insular, but engaged with broader society, it loses its "religious" character and liberties. Many faiths firmly believe in being open to and engaged with broader society and fellow citizens of other faiths. The Administration's ruling makes the price of such an outward approach the violation of an organization's religious principles. This is deeply disappointing.<sup>5</sup>

This is not a Catholic issue. This is not a Jewish issue. This is not an Orthodox, Mormon, or Muslim issue. It is an American issue.

<sup>5</sup> Union of Orthodox Jewish Congregations, Statement, January 24, 2012.

St. Michael the Archangel  
Catholic School  
Office of the Principal

Dear St. Michael the Archangel Parish,

I wanted to take the time to personally thank all of the parishioners of St. Michael the Archangel Parish on making a pledge and commitment to our school. You all are our personal "*Friends of St. Michael School*". Without your continued support and prayers, we would not be where we are today. The total pledged to date is approximately 92,000 dollars. We are so grateful for this commitment from our parish. The money collected will be used to help in providing financial aid/scholarship to students that qualify for the need, curriculum, technology for the school, and continue to support our Fine Arts Program (Art, Music, PE, and Technology). We are also proud to announce that your support has allowed the school to offer a Spanish Program to grades PreK-8<sup>th</sup> grade. Students in grades PreK-3<sup>rd</sup> will be exposed to this great language so that by the time they enter the 4<sup>th</sup> grade they will be ready for intense classes that will prepare them for high school. By the time the next year's 4<sup>th</sup> grade students graduate from our school, the students will have completed the Spanish I course that is offered in high schools across the nation.

St. Michael the Archangel School is continuing the Academic and Catholic Legacy that has been in our great town of Streator. It is imperative that our parish, which is now the largest parish in our Diocese, continues to provide an excellent school that offers the best possible learning environment that teaches our Catholic faith and provides high academic standards. This is not possible without all of your continued support and prayers. Please remember that our goal is to at least raise 100,000 dollars for next year and an overall pledged amount of 500,000 for the next five years. Catholic Education is a value to our future Church. It is the responsibility of the parents and parishioners of St. Michael the Archangel Parish to continue to pass on our Catholic Faith so that we know that our future is set on the right course.

If you have any questions or if you are interested in sending your children or grandchildren to our parish school, please do not hesitate to call the school office at 815-672-3847 or email [adavis@stmichael-streator.org](mailto:adavis@stmichael-streator.org).

God Bless,

Mrs. Ashley R. Davis-Principal

*In Our Parish* 

**Did you know we have a Parish Nurse?**

The elderly members of our Parish have a variety of needs that arise from an early discharge from the hospital, the termination of many community services, changing family structures, and the loneliness and isolation that often accompany old age.

In an effort to help meet the needs of our parishioners, Kaye Koltveit, a retired Registered Nurse who has had special training to be a Parish Nurse, is serving the parish in a volunteer position. She is available to assist parishioners by providing the following services:

- collaborate with clergy to provide spiritual comfort to the homebound
- coordinate volunteer efforts
- assessment of health status
- health advisor
- health education
- advocate/resource networking with area agencies and community resources

If you or someone you know is experiencing difficulty and would benefit from any of the above services please contact the parish office.

**Volunteers Needed**

Are you retired, bored, or maybe watching too much T.V.? Perhaps the Holy Spirit prompting you to become more active in parish functions. If so, please consider volunteering a few hours a month to assist with the following:

- provide a ride to church to parishioners in need
- make a home visit to an infirm or elderly who would benefit greatly from seeing a friendly face
- read scripture or pray with the elderly
- prepare a meal for someone too ill to care for himself or herself
- assist in coordinating these services

If you are interested in helping, please contact the parish office.

## 2012 Annual Diocesan Appeal

Thanks to all who made a pledge to the Annual Diocesan Appeal. Currently, we have pledges of \$35,579.00. We have received pledge cards from 251 parishioners. A gift to the ADA, no matter how great or small, can go a long way. A pledge of \$10 or \$20 a month can add up. Even a one-time gift is helpful to the cause. To those who have contributed, we are most grateful. If you have not yet made a gift to the ADA, we invite you to do so today. There are pledge cards in the vestibule. Every dollar raised to make our goal supports important diocesan services and every dollar raised over our goal will be kept in the parish.

ADA Goal:           \$111,704.00  
Pledges to date: \$ 35,579.00  
Shortfall:           \$ 76,125.00
